These forests are yours to enjoy and use for a variety of purposes. To protect the natural resources, safeguard users, and minimize conflicts of use, it is necessary to establish controls on the use of areas, roads, and trails.

A copy of the "Travel Plan Order" containing a list of the roads and trails for the Idaho Panhandle National Forests are available at the Forest Supervisor's Office and District Offices, and the BLM office. The majority of the Forest and BLM public lands are open to vehicular travel and a wide variety of recreation opportunities.

You are invited to stop by any Forest Service or BLM office and ask about restrictions, specific activities, and opportunities. We will be pleased to talk with you.
