RE: RFQ AG-0398-S-05-0008 – Hebgen Lake Paint

This serves as both the cover letter and letter of instruction for the above RFQ.

I have set up two additional sections/directories: Complete AG-0398-S-05-0008, and Short AG-0398-S-05-0008. I did this to facilitate ease of use and to allow for easy access to basic portions of the entire solicitation package.

The complete AG-0398-S-05-0008 contains all of the “boiler plate” requirements and specifications. The Short AG-0398-S-05-0008, is the portion that needs to be completed and returned by Close of Business on the 25th of October, to be considered for an award of the contract. Please complete all of the clauses in this portion.

Be sure to include your DUNS number on your bid so that I can ensure your firm is registered in the Central Contractor Registration (CCR) Data base. The basic information is included in Section I of the full package under FAR Clause 52.205-7 – Central Contractor Registration. If you have questions regarding the requirement to be registered in CCR, please contact me and I can provide you with additional information.

If you have any questions regarding this matter, please contact me at the above address or by phone at 406-587-6760.

Sincerely;

/s/
