

Index

A

- Air
 - forestwide standards and guidelines, 1-14
- Aquatic
 - forestwide standards and guidelines, 1-18

B

- Bald eagle
 - forestwide standards and guidelines, 1-35
- Biological diversity
 - forestwide standards and guidelines, 1-22, 1-23, 1-24

C

- Canada lynx
 - forestwide standards and guidelines, 1-36, 1-37, 1-38, 1-39, 1-41
- Caves
 - forestwide standards and guidelines, 1-14
- Clear Creek/Crazy Woman Creek Geographic Area, 3-4

D

- Desired condition, 1-10
 - long term, 1-12
 - short term, 1-10
- Devil Canyon Geographic Area, 3-16

E

- Evaluation
 - components of, 4-4
 - purpose of, 4-2
 - utility in forest management, 4-2

F

- Fire
 - forestwide standards and guidelines, 1-43, 1-46
- Fisheries
 - forestwide standards and guidelines, 1-25

G

- Geographic area
 - definition of, 3-1
- Geographic areas
 - Clear Creek/Crazy Woman Creek, 3-4
 - Devil Canyon, 3-16
 - Goose Creek, 3-25
 - Little Bighorn River, 3-19
 - Paintrock Creek, 3-10
 - Piney Creek/Rock Creek, 3-28
 - purpose of, 3-3
 - Shell Creek, 3-13
 - Tensleep Creek, 3-7
 - Tongue River, 3-22
 - utility of, 3-1
- Goals
 - definition of, 1-1
 - for the Bighorn National Forest, 1-2, 1-5, **1-8**, 1-9
- Goose Creek Geographic Area, 3-25
- Guideline
 - definition of, 1-13

H

- Heritage resources
 - forestwide standards and guidelines, 1-48

I

- Infrastructure
 - forestwide standards and guidelines
 - dams, 1-56
 - diversions, 1-56
 - facilities, 1-56
 - travelways, 1-56, 1-57, 1-58

L

- Leasable minerals
 - forestwide standards and guidelines, 1-16
- Little Bighorn River Geographic Area, 3-19
- Locatable minerals
 - forestwide standards and guidelines, 1-17

M

- Management area
 - Category 1, 2-10
 - Category 2, 2-35
 - Category 4, 2-53
 - Category 5, 2-60
 - Category 8, 2-80
 - comparison with 1985 forest plan, 2-1
 - components used to describe, 2-1
- Management Area 1.11 Pristine Wilderness
 - description of, 2-10
 - standards and guidelines, 2-11
- Management Area 1.13 Semi-primitive Wilderness
 - description of, 2-14
 - standards and guidelines, 2-15
- Management Area 1.2 Recommended Wilderness
 - description of, 2-19
 - standards and guidelines, 2-20
- Management Area 1.31 Backcountry Recreation, Nonmotorized Use
 - description of, 2-22
 - standards and guidelines, 2-23
- Management Area 1.32 Backcountry Recreation, Nonmotorized Summer Use, Limited Winter Motorized Use
 - description of, 2-25
 - standards and guidelines, 2-26
- Management Area 1.33 Backcountry Recreation with Limited Summer and Winter Motorized Use
 - description of, 2-28
 - standards and guidelines, 2-29
- Management Area 1.5 National River System – Wild Rivers
 - description of, 2-31
 - standards and guidelines, 2-32
- Management Area 2.1 Special Interest Areas
 - description of, 2-35
 - standards and guidelines, 2-36
- Management Area 2.2 Research Natural Areas
 - description of, 2-38
 - standards and guidelines, 2-39
- Management Area 3.1 Special Interest Area (Medicine Wheel)
 - description of, 2-41
 - standards and guidelines, 2-42
- Management Area 3.24 Riparian and Aquatic Ecosystem Management
 - description of, 2-43
 - standards and guidelines, 2-43
- Management Area 3.31 Backcountry Recreation, Year-round Motorized Use
 - description of, 2-45, 2-47
 - standards and guidelines, 2-48
- Management Area 3.5 Plant and Wildlife Habitat Management
 - description of, 2-50
 - standards and guidelines, 2-51
- Management Area 4.2 Scenery
 - description of, 2-53
 - standards and guidelines, 2-54
- Management Area 4.3 Dispersed Recreation
 - description of, 2-56
 - standards and guidelines, 2-57
- Management Area 4.4 Recreation Rivers
 - description of, 2-58
 - standards and guidelines, 2-58
- Management Area 5.11 Forest Vegetation Emphasis
 - description of, 2-60
 - standards and guidelines, 2-61
- Management Area 5.12 Rangeland Vegetation Emphasis
 - description of, 2-63
 - standards and guidelines, 2-64
- Management Area 5.13 Forest Products
 - description of, 2-66
 - standards and guidelines, 2-67
- Management Area 5.21 Increase Water Yield, Vegetative Management
 - description of, 2-69
 - standards and guidelines, 2-70
- Management Area 5.4 Plant and Wildlife Habitat
 - description of, 2-71
 - standards and guidelines, 2-72
- Management Area 5.41 Deer and Elk Winter Range
 - description of, 2-74
 - standards and guidelines, 2-74
- Management Area 5.5 Dispersed Recreation and Forest Products
 - description of, 2-77
 - standards and guidelines, 2-78
- Management Area 8.1 Water Impoundment – Twin Lakes, Tie Hack
 - description of, 2-80
 - standards and guidelines, 2-80
- Management Area 8.22 Ski-based Resorts, Existing/Potential
 - description of, 2-82
 - standards and guidelines, 2-82
- Mineral and energy resources
 - forestwide standards and guidelines, 1-15, 1-16

Mineral materials
 forestwide standards and guidelines, 1-18

Monitoring
 effectiveness questions, 4-11
 frequency, 4-9
 Guide, 4-5
 implementation questions, 4-10
 precision and reliability, 4-8
 priorities, 4-8
 protocols, 4-3
 purpose of, 4-2
 questions, 4-8
 reasons for, 4-6
 scale, 4-9
 steps, 4-1
 strategy, 4-6
 table, 4-10
 utility in forest management, 4-2
 validation questions, 4-26

Monitoring and Evaluation Report, 4-4

O

Objectives
 definition of, 1-1
 for Goal 1, 1-2, 1-3, 1-4
 for Goal 2, 1-5, 1-6, 1-7
 for Goal 3, 1-8
 for Goal 4, 1-9

P

Paintrock Creek Geographic Area, 3-10

Paleontological resources
 standards and guidelines, 1-18

Piney Creek/Rock Creek Geographic Area, 3-28

R

Rangeland
 forestwide standards and guidelines
 improvement and maintenance, 1-29, 1-30
 vegetation, 1-25, 1-26, 1-27, 1-28

Real estate
 forestwide standards and guidelines
 land adjustments, 1-58, 1-59, 1-61
 rights-of-way, 1-61

Recreation
 forestwide standards and guidelines
 developed, 1-50
 dispersed, 1-51
 general, 1-49
 special uses, 1-50

Reserved and outstanding rights
 forestwide standard, 1-18

S

Scenery management
 forestwide standards and guidelines, 1-53

Shell Creek Geographic Area, 3-13

Silviculture
 forestwide standards and guidelines, 1-30, 1-31, 1-32, 1-33, 1-34

Soil resources
 forestwide standards and guidelines, 1-18

Special forest products
 forestwide standards and guidelines, 1-34, 1-35

Special uses
 lands
 forestwide standards and guidelines, 1-61

Standard
 definition of, 1-13

Strategies
 definition of, 1-1
 for Goal 1, 1-2, 1-3, 1-4
 for Goal 2, 1-5, 1-6, 1-7
 for Goal 3, 1-8
 for Goal 4, 1-9

T

Tensleep Creek Geographic Area, 3-7

Threatened, endangered, and sensitive species
 forestwide standards and guidelines
 bald eagle, 1-35
 Canada lynx, 1-36, 1-37, 1-38, 1-39, 1-41

Timber
 utilization
 forestwide standards and guidelines, 1-35

Tongue River Geographic Area, 3-22

Transportation corridors
 forestwide standards and guidelines, 1-62

U

Utility corridors
 forestwide standards and guidelines, 1-62

DRAFT REVISED PLAN

V

Vegetation

invasive species

forestwide standards and guidelines, 1-46

non-native species

forestwide standards and guidelines, 1-46

W

Wilderness

forestwide standards and guidelines, 1-54

Wildlife

forestwide standards and guidelines, 1-41, 1-42, 1-43
