

# Battle Creek Fire Rapid Assessment

*Table of Contents*

## Table of Contents

<b>Overview .....</b>	<b>9</b>
Fire Background .....	9
Area Setting .....	9
Post Fire Activities .....	10
Values at Risk Map .....	11
Rapid Assessment Process .....	12
Management Direction .....	13
Battle Creek Fire Overview .....	14
Fire Progression Map .....	15
 <b>Chapter 2, Resource Assessments .....</b>	 <b>17</b>
Watershed .....	19
Pre-fire Conditions .....	19
Post-fire Conditions .....	20
Recommendations .....	27
Evaluation & Monitoring .....	27
References .....	27
Soils .....	28
Pre-fire Conditions .....	28
Soil Erosion Map .....	31
Post-fire Conditions .....	32
Soil Productivity .....	32
Soil Cover .....	32
Erosion Hazard .....	34
Mass Movement Potential map .....	35
Nutrient Removal .....	36
Mass Movement Potential .....	36
Soil Compaction .....	36
Soil Compaction Map .....	37
Reforestation Potential .....	38
Reforestation Potential Map .....	39
Recommendations .....	40
Evaluation And Monitoring .....	41
References .....	41
Vegetation, Insects, and Disease .....	42
Pre-fire Conditions .....	42
Tree Species Composition .....	42

Age Class Distribution .....	42
Stocking Levels .....	42
Regeneration .....	42
Suitable Land Base .....	42
Post-Fire Conditions .....	43
Insects and Diseases .....	43
Bark beetles .....	43
Woodborers .....	44
Effects .....	44
Vegetation Effects .....	45
Vegetation Recovery .....	46
Recovery of Commercial Timber .....	47
Recovery within existing and planned sales .....	48
Recommendations .....	49
Evaluation and Monitoring .....	50
Fire and Fuels .....	51
Pre-fire Conditions .....	51
Post-fire Conditions .....	51
Recommendations .....	53
Monitoring .....	54
Range .....	55
Pre-fire Conditions .....	55
Post-fire Conditions .....	55
Recommendations .....	58
Monitoring .....	58
Map of Range Allotments and Pastures .....	59
Noxious and Invasive Weeds .....	60
Pre-fire Conditions .....	60
Post-fire Conditions .....	60
Recommendations .....	61
Evaluation And Monitoring .....	62
Wildlife .....	64
Pre-fire Conditions .....	64
Snags, Down Wood and Water .....	64
Big Game Cover, Forage and Security .....	65
Other Wildlife Species .....	66
Post-fire Conditions .....	67
General Effects .....	67
Vegetation Structure .....	68
Map of Pre-Fire Structural Stage .....	70
Map of Post-Fire Structural Stage .....	71

*Table of Contents*

Big Game Cover, Forage and Security .....	73
Snags, Down Wood and Water .....	74
Other Species.....	74
Recommendations .....	74
Opportunities.....	77
Monitoring and Research .....	78
Heritage Resources .....	80
Pre-fire Conditions .....	80
Post-fire Conditions .....	80
Recommendations .....	81
Monitoring and Evaluation .....	81
Recreation .....	83
Pre-fire Conditions .....	83
Post-fire Conditions .....	83
Recommendations .....	83
Evaluation And Monitoring .....	84
Visuals .....	85
Pre-fire Condition .....	85
Post-fire Condition.....	86
Recommendations .....	88
Evaluation and Monitoring .....	89
Resources on Private Lands .....	90
Pre-fire Conditions .....	90
Post-fire Conditions .....	90
Recommendations .....	90
Evaluation and Monitoring .....	92
<b>Chapter 3, Lands, Roads, &amp; Special Uses Assessments .....</b>	<b>93</b>
Roads .....	95
Pre-fire conditions .....	95
Post-fire conditions .....	95
Recommendations .....	95
Hazard Trees .....	96
Pre-fire conditions .....	96
Post-fire conditions .....	96
Recommendations .....	96
Travel Management .....	97
Pre-fire conditions .....	97
Post-fire Conditions .....	97

---

Travel Management Map .....	98
Recommendations .....	99
Evaluation and Monitoring .....	99
Landlines .....	100
Pre-fire Conditions.....	100
Post-fire Conditions .....	100
Recommendations .....	100
Evaluation And Monitoring .....	100
Special Uses .....	101
Pre-fire Conditions.....	101
Post-fire Conditions .....	101
Recommendations .....	102
Evaluation And Monitoring .....	102
<b>Chapter 4, Communications &amp; Coordination .....</b>	<b>103</b>
Communication Strategy .....	105
Problem and Opportunity Statements .....	105
Recommendations .....	106
Coordination with Other Agencies .....	107
Resource Conservation and Development (RC&D) .....	107
SD Division of Conservation and Forestry (SD DC&F) .....	108
Pennington County Fire Administrator .....	108
Pennington County Weed and Pest Supervisor .....	108
