### **CONSTRUCTION STARTS ON NEW DUCHESNE RANGER DISTRICT BUILDING**

On October 11, 2004, construction of a new Duchesne Ranger District building will begin at its current location. To continue with high-quality customer service to the public, two forest service employees will be temporarily housed at the Duchesne Visitor Center, located two blocks west of the current district office. The forest service employees at the visitor center will assist with forest information, wood permits, maps, and Christmas tree permits. The remainder of the district employees will be located at the Roosevelt Ranger District office, located at 650 West Highway 40 in Roosevelt. Construction of the new building is expected to be completed in approximately four months.

For further information please contact Lori Nealley at the Duchesne Ranger District, at (435) 738-2482.
