HAZARDOUS ROAD CONDITIONS ON THE FOREST

Road conditions on the Ashley National Forest are muddy and hazardous after recent storms of rain and snow. Some areas such as Brownie Canyon in the upper Dry Fork area, East Park, and Iron Spring have reports of more than two feet of snow. Forest Roads are not plowed and can be hazardous. Driving on wet roads can cause resource damage. Please be responsible, and use extra caution when traveling on Forest Roads.

For more information you can contact the Ashley National Forest at 355 North Vernal Avenue, (435) 789-1181.
