Lassen National Forest Seeks Ideas on Non-motorized Winter Trails

The Lassen National Forest is currently revising the Forest's winter recreation map, which will be re-printed within the next few months for distribution this coming winter. The public is invited to two meetings to discuss the map and share their ideas on cross-country ski and snowshoe trails to display on the new map. Public meetings are scheduled in the following locations:

April 21 at 6:00 p.m. in the Susanville Railroad Depot, 601 Richmond Road, Susanville, CA.

April 22 at 6:00 P.M. at the One-Mile Recreation Area of Bidwell Park, Chico, CA.

If you are unable to attend one of these meetings, you may send your comments in the mail to the Lassen National Forest, ATTN: Elizabeth Norton, 2550 Riverside Drive, Susanville, CA 96130 or via e-mail to: **enorton@fs.fed.us**. All comments are due by April 23rd.
