

Boat Ramps at Shasta Lake

Shasta Lake Unit • Whiskeytown-Shasta-Trinity National Recreation Area
Shasta-Trinity National Forest

Public Ramps

Each of the six designated Forest Service ramps has a paved ramp, a lighted parking area, restrooms and garbage disposal facilities. Antlers, Centimudi and Packers Bay have accessible loading platforms. The ramps are usually open all year, however they may be closed when the parking lots fill up or lake debris makes launching hazardous. Antlers and Centimudi are most likely to have debris problems, especially in the spring months. Centimudi, Jones Valley, and Bailey Cove often fill up on holiday weekends. When lake levels are drawn down more than 50 feet, some ramps close. Others are moved to alternate locations. Check with the Shasta lake Information Center, (530) 275-1589, for current lake and boat ramp conditions

A daily use fee is required at all public ramps. Season Passes are available from Shasta Recreation Company at (530) 275-8113.

Special Discounts: Shasta Recreation Company will honor a 50% discount on all applicable fees for all holders of Golden Age and Golden Access passports. Applicable fees include daily or season launch passes.

Courtesy docks

During the summer months, courtesy docks are available at the public ramps to load passengers and cargo. Boats 26 feet and longer are prohibited from tying up to the courtesy docks. Larger boats can anchor to the shoreline to accommodate loading needs. *It is unsafe and a violation of State Law to swim, dive from, or sunbathe on, any courtesy dock or within 200 feet of a boat launching ramp.*

Public Ramps		Launching lanes available (Lake drawdown in feet)						
Ramp	Driving Directions	0' to 50'	50' to 75'	75' to 95'	95' to 115'	115' to 140'	140' to 160'	160' to 210'
