

Boat Rentals at Shasta Lake 2004

Shasta Lake Unit • Whiskeytown-Shasta-Trinity National Recreation Area
Shasta-Trinity National Forest

A wide variety of rental boats is available at the marinas and resorts on Shasta Lake. The table below indicates the types of boats available at each.

Houseboats are very popular on Shasta Lake. For many vacationers these vessels represent the ultimate in luxury, providing “all the conveniences of home” for up to 18 people as they cruise around the lake. Early reservations are strongly recommended from mid-May through August.

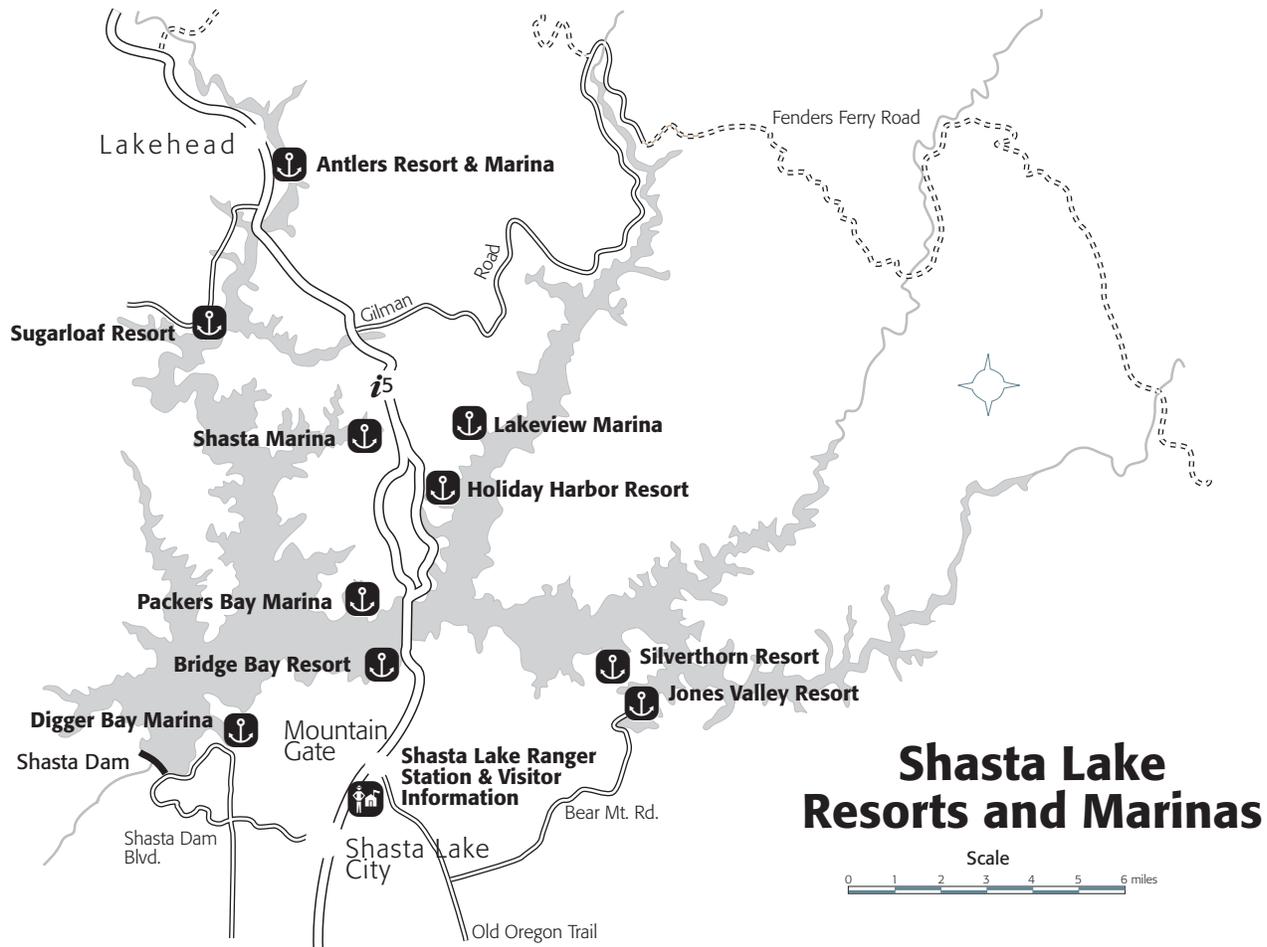

Patio boats are modern day versions of Huck Finn’s raft. While some are outfitted for cooking and sleeping, most are simply a floating patio with an awning.

Ski boats, fishing boats and several types of personal watercraft are also available at several resorts. These smaller boats are also available in Redding, Shasta Lake City and Lakehead.

For availability and pricing, please contact the resorts and marinas directly. Many of these facilities also offer their information through web pages, as indicated on the back of this brochure.
