**Fire Contained at Waters Creek**

**Grants Pass, OR** - The Siskiyou National Forest and the Oregon Department of Forestry have contained a 12-acre fire that began Tuesday afternoon in brushy materials in the Waters Creek drainage of the Siskiyou National Forest, approximately 10 miles southwest of Grants Pass. Three hand crews and two engines, including some private contracted fire-fighting resources, are currently working on the fire. Officials expect to have the fire controlled by Thursday, and report that the cause of the fire is under investigation.

Officials remind the public to be aware of dry forest conditions, especially while traveling, working, and recreating in the woods.
