

Chapter 5

List of Preparers

Forest Service			
Name/Project Responsibility	Official Title	Education & Resource Training	Experience (Years)
Richard Ragan Responsible Official	District Ranger	B.S. Geology, Eastern Kentucky University 1972, postgrad studies Hydrology Prtland State Univ. Hydro Tech USGS, USFS Wilderness Ranger, Snow Ranger, HydroTech, Forest Hydro, Aquatics Team Leader, Lead Steward, Veg Team Leader. Worked in 3 Regions, 4 Forests, 5 Districts	27 years
Steve Mooney Vegetation Management	District Silviculturist	B.S. Watershed Mgmnt Forestry Option Univ Arizona, 1973; Silviculture Inst VII, 1984-85; FS training in resource management, NEPA, Timber appraisal and cruising, TSI, Refo, Animal Damage, Fire. IDT Leader for Natural Resource projects. Worked in 2 Regions, 4 National Forests, 4 Districts	30 years
Kevin Moore NEPA, Team Leader	Southwest Zone NEPA Coordinator	B.S., Forestry, Stephen F. Austin State Univ., 1976; M.S., Forestry, SFASU, 1979; Certified Silviculturist R-5, 1988; R-6 1989-1999; Experience in project planning & implementation, NEPA, silviculture. NEPA Coordinator since 01/2000	25 years
Cameron Richey Fire/Fuels Air Quality	Forest Fuels Specialist	High School Graduate; Forest Service training in writing NEPA Documents, RX 450 Smoke Management Techniques, Anvanced Fire Behavior Calculations; Fire Effects in Ecosystem Management, COCC; Forest Vegetation Management, OSU; Managing Soil Compaction and Ecosysyem Productivity, OSU; Fire Experience includes Engines, Helitack, Hand crews, and Dozer operater. Over 20 years in fire/ fuels management.	27 years
Jennifer Sanborn Wildlife TES Wildlife	Wildlife Biologist	B.S., Wildlife Biology, Colorado State University, 1989. Experience in Wisconsin, Nebraska, Colorado & Oregon; including USFWS, 3 Refuges; 2 National Forests, 3 Districts; and Medford BLM, 4 Resource Areas. Forest Service Training in NEPA.	15 years
Trisha Roninger Wildlife TES Wildlife	Wildlife Biologist	B.S., Wildlife Biology, Chico State University 1998. Experience working with wildlife in Oregon and California with the USFS, BLM, and private sector. FS training in wildfire suppression, NEPA, ESA.	7 years
Neil Anderson Aquatics Fisheries	Forest Fisheries Biologist	B.S. Fisheries Sciences, Oregon State University. 1974. Secondary Education Degree, University of Montana. 1980. Fisheries biologist USFS 16 years. Interdisciplinary experience USFS. 25 years.	26 years
Sarah Malaby Vegetation, TES Plants	Botanist	B.S. Biology & Chemistry, Cornell College, 1983; M.S. Plant Biology, Univ. of Michigan, 1986; Forest Service Training in botany, plant ecology, NEPA, timber sale planning, watershed analysis; Worked in Regions 3 & 6, two National Forests, six Ranger Districts.	16 years

Forest Service, continued			
Name/Project Responsibility	Official Title	Education and Resource Training	Experience (Years)
Desi Zamudio Soils	Forest Soil Scientist	M.S. Hydrology / Hydrogeology, U. Nevada, Reno, 1991; B.S. Soil and Water Science, UC Davis, 1979; A.S. Art and Science, Mt. San Jacinto College, 1975; Soil scientist and hydrologist for FS and BLM in California, Oregon and Nevada;	26 years
StewartCook GIS Maps	GIS Coordinator	A.A. degree in Forestry, Lassen College, 1976; FS training in Silviculture, Fire and GIS. Worked in 2 different Regions, 5 National Forests, and 5 Ranger Districts.	26 years
Rex Appleby GIS Support	GIS Assistant	AAA Forest Technology, Wenatchee Valley College, 1974; Experience in Timber, WL, Hydro, Eng, Silv, Planning, contracting, fuels treatment and fire suppression. WA DNR 2 years, 2 FS Regions, 5 National Forests, 6 Districts	30 years
Karl Buehler Roads	Civil Engineering Technician	Engineering Development Team member, Winema National Forest (1979 – Present), Duties: Planning, Design, Contract Administration for Roads/Trails projects. Education: 3 yr. Math-Science Southern Oregon University, no degree 2 yr. Surveying Oregon Institute of Technology, AS degree 1976	25 years
Al Reyes Roads	Civil Engineering Technician	A.S. Sacramento City College 1970, B.T. Oregon Institute of Technology, 1972 Private sector 1yr., Municipal Government 2 yrs., Forest Service 29 yrs.	32 years
Jerry Haugen Economics	Forest Environmental Coordinator	M.S. Forest Management, Oregon State U, 1984; B.S. Civil Engineering, U of Wis, 1973; Civil Engineer for the FHA in Regional Office and 3 Division Offices; engineer and analyst for the FS on 3 National Forests in three Regions; Operations Research Analyst for FS in MT and OR. Operations Research Analyst in Land Management Planning on Winema NF 1989-1998; NEPA coordinator 1998-present.	31 years
Klamath Tribes			
Will Hatcher Tribal Forester	Forester	BS Forestry, Northern Arizona University, 1992 US Forest Service: Silviculture Institute, 1994-1995; Silviculture 1993-1997; Timber Sale Prep 1971-1985; Klamath Tribal Forester 1999-present	23 years
Rick Ward Tribal Biologist	Wildlife Biologist	MS Wildlife Biology, Univ of Montana, 1999. BS Biology, Eastern Washington Univ, 1996. BA History, Univ of Washington, 1993. Worked for USFS, USFWS, and state agencies in Washington, Oregon, and Idaho. Klamath Tribes Biologist 1999 to present.	8 years

Chiloquin-Agency Lake Fire District			
Name/Project Responsibility	Official Title	Education and Resource Training	Experience (Years)
Dewaine Holster Community Fire and Fuels Liason	Chief	Chiloquin HS 1974; Fire service 1980 to present; Chief of Chiloquin-Agency Lake Fire District 1985-present; ODF 1991-2001; numerous schools in Structural and Wildland fire, special interest in Wildland Urban Interface.	24 years
