## **Fun With Fungi**

**Klamath Falls, OR** - The Fremont-Winema National Forests and the Klamath Falls Resource Area of the Lakeview District Bureau of Land Management are hosting "Fun With Fungi" on Saturday, November 1<sup>st</sup>. The program is free to the public and will begin at 9 a.m. in the Klamath Ranger District conference room, located at 1936 California Avenue.

Fungi are an integral part of Forests in the Pacific Northwest. Participants will learn about fungi ecology and some of the common species in this area. A short presentation will be followed by a field trip to the woods. Participants should bring a sack lunch and water, and be prepared for cool and potentially wet weather. Participants may be asked to drive their own vehicles to the site of the field trip.
