Dear National Forest User:

I have decided to control non-native invasive plants in order to properly maintain roads, trails, recreation sites and administrative sites across the Chequamegon-Nicolet National Forest. The attached Decision Memo provides the details of my decision.

If you have questions regarding my decision, please contact me at (715) 762-2461, or project leader Marjy Brzeskiewicz at (715) 762-5199. Thank you for being involved in the management of our Forest.

Sincerely,

/s/ Anne F. Archie
